

# Theory of Change Tackling Child Labour

## Interrelated pathways:

**OUR VISION:**  
Children at risk of or affected by child labour and young workers access their fundamental rights throughout the value chain

### Large enterprises

partnering with Tdh sustain accountable ethical practices to mitigate child labour risks and improve working conditions in their global value chain

### Formal and informal actors

coordinate protection and development of children at risk of or affected by child labour and youth in key points of the value chain

### Children, youth and families

engage to reduce the risks of child labour and improve working conditions throughout the value chain

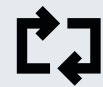

## ASSUMPTIONS

Evidence-based advocacy to foster influence

Innovative business solutions to tackle child labour

Positive dialogue with governments to uphold child's rights

Empowered children and youth as key agents of change

Tackling causes of poverty to provide alternatives to child labour and access to decent work

## HOW WE WILL MAKE CHANGE HAPPEN

Ensure sustainable business solutions to mitigate child labour risks and offer improved working conditions in their best interests

Collect reliable evidence on child labour, improve coordination and influence policies

Link children and families to services and strengthen capacity of service providers

Withdraw children from child labour or improve working conditions, link families to alternatives
